REDWOOD CITY'S
BANNER YEAR

VOLUME LXIV., NUMBER 39. REDWOOD CITY, SAN MATEO COUNTY, CALIFORNIA, SATURDAY, DECEMBER 27, 1924. ESTABLISHED 1859

PAST YEAR MADE BIG IMPROVEMENTS

Building permits far exceeding a million dollars have been issued this year by Building Inspector I. C. Drathman. To date the total of contracts let amounts to $1,103,441.00. During the month of December permits have been issued for the erection of 22 dwelling houses. The total of permits issued before Christmas in this month amounted to $61,542.00.

The total of this year is somewhat under that of last year, which was $1,196,086, but is far over any previous year. Building in Redwood City has, in fact, been more active during the past two years than at any previous time.

The past year has seen a steady development of this district in every way. A large number of new business buildings have been constructed within 1924, the Sequoia Union High School auditorium has been built. The two million-dollar cement plant, just outside of Redwood City's limits, has been started and completed.

In other lines than building this section has also shown a marked development, and many improvements have been made within the year. The Redwood City Planning Commission has been formed and will serve to direct future development in this city and will exert its efforts to make this a more uniformly beautiful place wherein to live.

Another advance which has been made in 1924 was the formation here of the Kiwanis club. A service club which is already doing much for the improvement of conditions here.

The roads of the county have received many additions during the year and the present road program will continue well into next year. The Skyline boulevard has been practically all built within the year. The Bayshore highway is started and will soon conect through Redwood City, and by the Dumbarton bridge with the interior of the state. And the bridge itself, long a dream, is about to be a reality for work has also been started on that this year.

San Mateo county has also taken a hand in the march of progress during the year, purchasing the San Mateo County Memorial Park, one of the finest natural parks in the coast section of the state.

Prospects for the coming year are exceptionally bright for this section of the state, and the plans already announced for building next year will make a material difference in the aspect of the county. With improved buss service promised, with new roads being built, more money being invested, and an awakening of interest in the municipality, this section may expect big advances in 1925.

SEEKS MARRIAGE ANNULMENT

In a complaint filed this week through her attorney, Jas. T. O'Keefe, Mrs. Helen Landis asks annulment of her marriage with Howard Landis, and the right to resume her maiden name of Helen Souza. The couple were married in 1921, and have one child. The plaintiff alleges that her hhsband has treated her in a cruel and intimidating maner and has failed to provide for their one child.

RAINFALL DOUBLES THAT OF LAST YEAR

According to rain fall statistics kept by Asa Hull, we have had more than twice as much rain this year as we had at the end of December last year. So far there have been 7.35 inches of rain here as against 2.99 at this time last year. The last storm brought .85 of an inch of rain here.

Leaving their happy homes between evening and morning, a number of chickens, ducks and geese left La Honda for parts unknown in the days preceeding Christmas. Among the heaviest loosers in this regard are Mrs. Julia Donaldson and Manuel Souza. The latter is short several fine turkeys which he had raised for the holiday season.

Ford May Build Factory on Marsh

Rumor, though often a trickey guide, when often enough repeated comes to bear some semblence of truth. Thus with the rumor which has taken root in Redwood City of the purchase by Henry Ford of a large tract of marsh land from the Pacific Portland Cement Company, where, it is reported, a large assembling plant will soon be erected. No confirmation of the story could be secured, but the possibility is very bright that truth may lie behind the rumor.

The land reported sold is a tract of about sixty acres of the marsh land, just south of the plant of the cement plant, and belonging to them. Here, it is said, an assembling plant will be erected to supply the western states and the exports to Pacific ports. If true, the project will mean many millions of dollars expended in Redwood City.

TRUSTEES HEAR STREET DISCUSSION

The paving of Roosevelt avenue formed the chief topic of discussion before the board of trustees of Redwood City at their regular meeting last Monday night. A large number of property owners of the district affected by the proposed improvement were present as well as several contractors. The discussion was general, and nearly all expressed their opinion in the matter.

The discussion was opened by William Kelso, who asked to hear what the various contractors present had to offer in the way of paving. Ed. Dearborn stated that the road could be put in fine condition by resurfacing, oiling and rolling. The cost of this type of a finish would be about $2.50 per front foot of property. This price included the intersections. W. W. Thompson gave an estimate of about $2.25 exclusive of the intersections. Other contractors who spoke were A. Hess of this city and A. Werder of the National Paving Co. of Los Angeles. The latter endeavored to secure the contract for the product of his company at $4.50 per foot.

After considerable discussion, during which Vic Hildebrandt, Clarence Choat, Floyd Baird, Mrs. Gillespie, Jim Callaghan, Will Kelso, Sam Crozier, and other property owners of the district stated their views in the matter, the board ordered the city engineer to prepare plans and specifications for the cheaper type of paving, as that type seemed to be in favor with the majority of the property owners.

Notice was received by the board of the expiration of the term of Carl Mabie as trustee of the Pulgas Mosquito Abatment District. The board reappointed Mabie to this position.

A map prepared by the Redwood City Planning Commission showing the proposed "set back" lines for the various streets, was received by the board. The ciey attorney was instructed to draw up an ordinance including the map and giving the distance from the street at which houses may be built on each street in town.

Two resolutions prepared by the city attorney were adopted by the board, one overruling the protest on the work on Duane street, the other ordering the work on the same street.

A permit was granted to the Red Rose Harmony Club of Lomita Park for a dance in the Foresters' hall for the evening of January 3.

It was voted to order the insurance policies for the volunteer firemen which had been considered at the previous meeting. These policies will pay a thousand dollars in case of death and weekly compensation in case of injury.

BAPTIST KIDDIES SEE SANTA ON TUESDAY NIGHT

Tuesday was a gala day for the youth of the land, at least so far as Redwood City was concerned. On that evening Santa seems to have made a round of the Sunday schools of the town and showered happiness about his path.

At the Baptist church, he found quite a crowd of kiddies awaiting him and told of the difficulties he had had in arriving from the artic, how he had lost his reindeer and had to use mules in order to deliver the presents he brought. And the difficulties he had with those mules—

The following is the program which was given at the Christmas tree:

IMPROVED BUSS SERVICE PROMISED

That Redwood City is to have improved buss service to San Francisco was the welcome announcement made this week by the Peninsula Rapid Transit Company. The plan of the company announced this week is to run through busses along the highway from Palo Alto to San Francisco. These busses will stop at Menlo Park, three places along the highway in Redwood City, at San Carlos and at Belmont. From Belmont north the buss will make no stops. This will, it is said, make it possible to go to San Francisco in one hour, or one hour and ten minutes at the most.

In line with the announcement made by the company this week of better service in point of time to the city, was the announcement that the buss service would be increased to twenty-minute service each way, instead of half-hour service now supplied. A new type of buss will also be inaugurated soon after the first of the year, within ninety days, in fact. This new car will be of a sedan type, and it is said, practically free from the vibration noticeable in the present busses.

The busses now in use by the company will be taken to the north end of the county and used in local service from San Mateo northward.

Many Working To Make Tree A Big Success

Work has been progressing at double quick time this week on the big tree which is to typify the Christmas spirit of the community. A tall spruce tree growing in the court house yard has been chosen for the tree and decorating has been in progress during theweek.

The tree has been strung with wires and electric lights installed by Mark Ryan. On Wednesday a number of the Boy Scouts, under the personal direction of Earl Eikerinkotter and Bert Werder, festooned the tree with hangings of scrap tin, secured from a can factory. The combination gives an effect hardly to be expected from the materials.

During the week a large number of ladies of the town have been occupied in filling stockings with candies and nuts. These will be distributed tonight to the children of the town. A total of 15,000 have been prepared for Santa Claus' use tonight.

The Woman's Club, the American Legion, the Kiwanis Club, the Legion Auxiliary, the Boy Scouts and a large number of other organizations have been at work for some time on this proposition, and a sum of about $200 has been raised. It is planned to make the tree an annual event, and plans are already being made for entertainments to be given during the year, whereby it is thought that sufficiet money can be raised to finance the affair next year without any donations.

METHODIST CHURCH HAS CHILDREN'S CHRISTMAS TREE

The Methodist church was crowded to capacity last Tuesday evening when the Christmas program took place and the children were given an opportunity to shake hands with Santa Claus and receive some of his lavish gifts.

The program consisted of a number of entertaining numbers by the various classes, those taking part being Mrs. Baird's primary class, Mrs. Barnes' boys class and her class of Japanese, and the classes of Mrs. Moore Mrs. Winiger and Mrs. Hopping. The young people sang a number of songs and gave dialogues and recitations. The concluding numbers of the program were a humorous sketch by the pastor and an original poem by Redwood City's poet laurette, Henry Fulcher.

PLAN FACTORY CONSTRUCTION SOON

According to word received this week from interests who are planning the erection of a handsome factory and cannery on the highway at this city, the work of construction will be started soon after the first of the year. The plans are now being completed by a local architect, and the necessary preliminary arrangements which must be made are well under way.

In connection with the cannery which is to form an important part of the new concern, a lunch room will be established where the products of the concern will be served.

HEART TROUBLE PROVES FATAL TO TANNERY WORKER

Heart trouble resulted in the death Tuesday of Leonardo Alarid, an employee of the Frank Tannery at Arguello street. His death was preceeded by an illness of several months' duration.

The deceased was 55 years of age and a native of California. He is survived by his widow, Mrs. Marie Alarid; two daughters, Mrs. Mary Patrick, and Mrs. Evelyn Gonzales.

The fneral was held yesterday from the parlors of the James Crowe Undertaking Company. Mass was celebrated in Mt. Carmel Catholic church and was followed by interment in Holy Cross cemetery in Menlo Park.

Pioneer Woman of County Dies In Halfmoon Bay

Mrs. Hester Grainger, widow of the late Paine Grainger, passed away at her home in Halfmoon Bay Wednesday and was buried in Purissima cemetery yesterday afternoon. The funeral was held from the home of her daughter, Mrs. Elva Burke, Halfmoon Bay.

Mrs. Grainger was the oldest daughter of the late Montgomery Digges, one of the earliest residents of San Mateo county. She was a graduate of Miss Buckmaster's school of San Mateo and of the San Jose State Normal School. She is survived by a large family of children, one of whom, Dewey Grainger, is a resident of this city.

Mrs. Grainger was a gentle, home-loving woman, who was greatly beloved by all who knew her. For some years past she has not enjoyed good health, so her demise was not unexpected.

H. J. MARTINE DIES SOON AFTER HIS WIFE

One week after the death of his wife, Mrs. Leora Martine, H. J. Matine of Arguello Street, passed away Saturday of pneumonia, the same illness which resulted in the passing of Mrs. Martine.

The Martines have been living in Redwood City for the past six years, and have taken a prominent place in the community. The deceased was a vestryman of St. Peter's Episcopal church here for a number of years, and both he and his wife were vesy active in he affairs of the church.

The deceased is survived by three children, Ella M., Godfrena, and Homer M. Martine. The funeral was held Monday and was strctly private interment was in Woodlawn cemetery. Rev. E. H. Molony conducted the services which were held from the parlors of Layng and Tinney.

Mrs. Emilie Vasquez spent the week in Los Altos with Mr. and Mrs. O. M. Hester. Mrs. Vasquez and Mrs. Hester are sisters.

Rev. and Mrs. C. H. Stevens of Lodi spent Christmas with their daughter, Mrs. Wilbur Doxsee and family.

Locals

Mrs. C. I. Langford is enjoying a visit from her sister, Miss Edyth Roberts of Shanghai, China. Miss Roberts will remain here for several months.

Rev. and Mrs. Currie and family spent Christmas with the former's brother in Pacific Grove.

Mr. and Mrs. John McCrea of Madera spent Christmas with Mr. and Mrs. George Stafford and Mr. and Mrs. Percy Long.

Miss Josephine Ginaci of Los Angeles was a guest of Mr. and Mrs. Lawrence Heiner over Christmas.

Miss Ruth Doxsee, a student at the University of California, is home to spend the holidays with her family.

Mr. and Mrs. John Gill are spending the holidays with the latter's parents, Mr. and Mrs. J. A. Kerr in Dixon.

Mrs. Lottie Heise is spending the holidays with her daughter, Mrs. W. T. Davis of Pleasanton.

Mrs. Caroline Coffinberry and her daughter, Miss Elizabeth, of Birch street, Redwood Highlands, went to South San Francisco to spend Christmas with Mr. W. H. Coffnberry and family.

Mr. and Mrs. Charles Stuts came up from Modesto Wednesday and are spending the week end with Mr. and Mrs. Geo. Mulcady and Mr. and Mrs. Geo. Mitchell.

The home of Mr. and Mrs. Harold Simpton, near the Middlefield road Atherton, was nearly destroyed by fire last Thursday. Mrs. Simpton's brother drove down to visit them and as he went into the yard he saw smoke coming from the roof. A smoldering fire was then discovered in the attic. It was soon extinguished, but considerable damage was done to the roof and to the ceilings.

Miss Louetta Millard of the local school department is recovering from an operation for the removal of her tonsils.

Flynn Trying To Have Autos Registered Here

Making an appeal to car owners whose cars were registered in some other county last year, County Assessor Flynn has sent to each car owner, whose care was registered out of the county last year the following letter:

"Fifty cents of every dollar paid by automobile owners for licenses and gas tax is apportioned by the state to the counties from which the cars are registered to be used in maintaining roads.

"In San Mateo county there are peculiar conditions, owing to the fact that many whose homes are here spend a portion of the year in San Francisco; many residents of the county have San Francisco offices; residents of Daly City receive their mail through the San Francisco postoffice; and residents of some of the southern sections receive their mail through postoffices in Santa Clara county.

"Thus a large amount of money justly belonging to San Mateo county for road maintenance is apportioned to other counties because the automobiles are registered from outside postoffice addresses or city homes or offices.

"When applying for your license for 1925, be sure to register your automobile from San Mateo county, where the money justly belongs, and where it is needed for road maintenance."

The fight of Assessor Flynn to have the money from San Mateo cars apportioned to San Mateo county is an annual affair. Every year the assessor is able to secure better results as the facts of the case are becoming understood. Yet every year San Mateo county loses a large amount that should rightfully belong here through misunderstanding by the car owners.

CHINESE KILLED BY TRAIN AT MENLO PARK CROSSING

After visiting friends in the Chinese section of Menlo Park Tuesday evening, One Lung Gun of San Francisco was returning to the station to take the train to San Francisco when he was struck by a south bound train while crossing the tracks. Death was almost instantaneous, and he passed away before any help could be given him.

The remains were removed to the parlors of Roller & Hapgood in Palo Alto, where an inquest will be held.

A petition for letters of administration on the estate of Frank Bernard Emery, who died last February in Daly City, was filed in the clerk's office Monday by the widow of the deceased. The estate consists of personal property and real estate valued at $3,000. James T. O'Keefe is the attorney for the petitioner.

Deer Wrecks Car And Dies Fighting

Early Wednesday morning while driving a small cut-down near the Spring Valley dam, Marvin Simmons, son of Constable Simmons of Halfmoon Bay, and Claude Cook, grandson of Mrs. A. Cook of this city, were attacked by an antlered buck, who charged the headlights of the car. The buck seemed enraged by the lights, and rushed to the attack as soon as the car appeared in his sight.

Both car and deer were wrecked in the brief combat. The fight proved fatal for the deer, however, while a little garage work will serve to put the car into shape again.

This is the third instance within recent years that a buck has charged a machine. The last instance was when one dashed down the bank at the La Honda stage and nearly landed in the buss among the passengers.

FOUND UNCONSCIOUS ON HALFMOON ROAD

Found unconscious by the side of a road near Halfmoon Bay, Fabio Michelucci, farmer of the coastside, is now in the Mills Memorial hospital suffering with what appears to be a fractred skull. Whether the man had met with foul play or had been struck by a passing car could not be determined from the wounds found upon him, and so far he has been unable to speak.

Michelucci figured prominently in the shooting affair of the coastside which resulted in the arrest of Leo Recci, now held in the county jail for assault with intent to do bodily harm.

The connection of the injured man in this affair, which occured last October, has strenghtened the supposition that his condition may be due to foul play. Dr. Brooke who was called to attend Michelucci stated that he believed that the man had been struck on the head intentionally, although the same results might have been caused by being struck by a car. In reporting the affair to the sheriff, Constable Simmons seemed inclined to the belief that an automobile was responsible for the man's condition.

SANTA CLAUS VISITS CONGREGATIONAL KIDDIES

Santa Claus, after a hurried trip from the land of the midnight sun arrived just in time to be present at the end of an interesting little program at the Congregational church last Tuesday. Ordinarily Santa does not get to Redwood City quite so early, but being finished with his work in the North land, and having heard that the kiddies of Redwood City were preparing for Christmas he got away a litle early this year and exepects to make quite a thorough round of California before he leaves.

Unfortunately Santa was just a little late for the program and didn't get in until the end of it. What he missed was something like this:

Welcome	Jimmie Argo
Greetings	Tried and True Class
Song	Beginners Dept.
"Christmas Dollies"	Lillian Dunkel
Piano Solo	Cecil Klee
Song	Primary Dept.
"The Longest Day"	Robert Moulton
"Joy Bells"	Sunbeam Class
"Christmas Eve"	Six Little Girls
"Pilgrims Quest"	Charlotte and Nancy Holmquist
"What Santa Knows"	George Cawthrone
Reading	Audine Martin
Junior C. E. Play—"Santa Claus!"	

Several first-class musical numbers were also enjoyed, including vocal solos by Otis M. Carrington and Gustave Fonandern, a flute solo by Prof. Schraidt and an organ solo by Prof. Richards. The program was presented by a prayer by Rev. R. J. Currie.

A bore—the man who persists in talking about himself when you wish to talk about yourself.

WORK STARTED ON BAY BRIDGE

Dumbarton bridge is being built! The long looked for event has at length been accomplished and this week witnessed the driving of the first pile which will be followed by more piles and concrete and steel until by the end of 1925 we may confidently expect to see the bridge which will effectually break the barrier of water which now divides San Mateo county from the land east of San Francisco bay. We may expect with every chance of fulfillment, to see one of the most important highways of the state passing through the eastern part of town even as we have one now in the western part of town.

This new road, the easteside highway will soon connect San Francisco with the east bay towns, with the towns of the interior, and by means of the great transcontinental highways with all of the United States. The commerce and travel of the country will soon be passing through Redwood City on the new road and over the new bridge.

The first actual work on the bridge was done Tuesday by the Healy & Tibbets Construction Company, who now have a large force of men at work on the mud flats which form Dumbarton Point. It is estimated by the contractors that less than a year will be needed to complete the work of building the bridge.

SAN MATEO BUILDING & LOAN TO DISTRIBUTE $20,000

On January 15th the local Building and Loan Association will distribute $20,000 among those of its members who own stock in series 83. One hundred shares will be matured each share having a valuation of $200.

The thrifty stockholders referred to are privileged to receive their money in cash or to invest it in the association, receiving certificates of investment which return interest at 6 per cent, payable semi-annually, with the same withdrawal privileges as are given to other investors.

This investment is considered giltedge as it is secured by the extensive resources of the association, not the least of which is its high-class mortgage loans amounting to $750,000.

The local Building and Loan Association has been in existence thirty years and during that period has erected countless homes in Redwood City and the surrounding country. It has the reputation of being one of the best managed in California. Its directors are among the most sbstantial men of the community.

The association's fine new home on Broadway, now in the course of erection, will be ready for occupancy in February.

DUMBARTON BRIDGE COMPANY CREATES $900,000 INDEBTEDNESS

According to a duplicate filed in the office of County Clerk E. M. Kneese Tuesday, the Dumbarton Bridge Corporation has created a bonded indebtedness of $900,000. The certificate shows that this indebtedness was voted unanimously by the board of directors of the company on December 8.

The stock of the company is given as $2,500,000 in shares of $10 each. The directors are H. J. Finn, J. E. Cook, H. A. Judy, E. S. Taylor and A. B. Dunn. H. R. White is president of the concern and R. C. Forester is treasurer. The original certificate was filed in the office of Secretary of State Frank C. Jordon by Morrison, Dunne and Brobeck, San Francisco attorneys.

FINAL DECREE GRANTED

A final decree of divorce was granted this week to Marion A. Neill from Ernest L. Neill by Superior Judge Buck. The plaintiff in the case, who was represented by Attorney William Powell of San Francisco, was also granted the right of resuming her maiden name of Marion Stack. The interlocutory decree was granted last December on a charge of cruelty.

HAPPY NEW YEAR

IT seems only a few days ago when we wrote a Happy New Year greeting to our readers and yet a whole year has gone by and we are again on the threshold of another twelve-month. We have no desire to move the veil that covers the happenings that will be our lot during 1925. We are fortunate that we cannot foretell the future, for, for most of us it holds happiness, and yet we know that into each life some rain must fall So, not knowing what the morrow may bring forth we should each meet the new day and new year with a "cheerful heart and happy" because we are alive and well in the most wonderful time in the history of the world.

As to a retrospect, 1924 certainly has been a good year. We have prospered as a nation. We have kept our own self respect and have compelled respect from the rest of the world. We have seen a year go into history as a peaceful year It has brought prosperity to many and withheld its bouny to a very few. And now our New Year's wish for you: May this be the best year you have ever had, and may you be the "Captain of your Soul."

"Out of the night that covers me,
Black as the pit from pole to pole,
I thank whatever gods may be
For my unconquerable soul.
It matters not how straight the gate,
How charged with punishment the scroll,
I am the master of my fate;
I am the Captain of my Soul."

TIMES GAZETTE TO CHANGE HANDS

AFTER thirty-five years of active connection with this paper, D. E. O'Keefe, will with this issue retire from all active connection with the Times-Gazette, which has been leased by S. L. Netherton and John Isaac. The two latter have for the past two years been acting as manager and editor of the paper respectively. Beginning with the new year the paper will be taken over by the new partnership who propose to make some radical changes in the paper. Hitherto, a staunch Republican paper, it will hereafter be conducted as strictly independent, without political bias, and recognizing right where right is without regard to party or affiliation.

The Times-Gazette is now well along in its sixty-fourth year of service in Redwood City, being one of the oldest papers in California. From the time when Redwood City was a village with board walks, and few of them, to the present, the Times-Gazette has been inseperably linked with the growth and progress of the town. It will be the idea of the new publishers of the paper to make it even more than it ever has been, a part of the community, upholding the ideals that will help Redwood City and San Mateo county and fostering every move that appears for progress.

SERVICE

AT the meeting of the Kiwanis Club Tuesday a number of the business and professional men of the town volunteered to give their time and service to take good cheer to needy families of this community. Not only did the men of Kiwanis give their time but they contributed a large sum of money to purchase articles that will make those who are less fortunate happy during the Christmas season. Then after this was done they raised the last fifty dollars needed for the Municipal Christmas tree. They are a worthy bunch of men.

The idea owes its inception to the American Legion, and the boys of that organization, together with the Auxiliary, composed of their lday relatives, and the Boy Scouts have been active in fostering the matter from the first. The Legion laid the plans and secured the co-operation of the other organizations in town That the affair has turned out to be the success that it has is largely due to the Legion.

Last Saturday night a group of women of the Redwood City Woman's Club traveled from their homes and despite the pouring rain sold tags that a fund might be raised to make the Big Tree a success. This was real service.

During the past few days men and boys have been busy in front of the court house. They have decorated a living Christmas tree, and tonight the children of the town will have a royal Christmas, with tree candies and other things to gladden their hearts.

We are glad that we are living in a time when people forget the selfish motives and give and serve for those who are not so fortunately situated. This is a good world and the people are good at heart.

As we have said before we are glad that we are alive and that we live in Redwood City.

JULIUS KAHN AND HIS SUCCESSOR

LAST week a good man passed away in San Francisco. His name was Julius Kahn. Julius Kahn came to San Francisco many years ago as a little boy from a country away across the sea He couldn't understand the language of the new land but with the energy that characterized his later life he studied and worked until he became a national figure. His city honored him and honored itself by sending him year after year to Washington to represent California in the National Congress.

When a great war came with Julius Kahn's mother country he was head of the Military Affairs Committee of the Congress of his adopted land. The President of this great country chose Julius Kahn, a man of an opposing political party, to carry out his policies in Congress. During the entire period of the war he was true to his trust, and while the breath of scandal touched many in the high places, it may be said of the Congressman from California that duty and honor were always his guiding principles.

Now he has gone to his reward. His faithful wife who stood with him through all of his trials and pleasures is now a candidate to succeed him. We are of the opinion that she will be unopposed. This as as it should be. A full term would have been Mr. Kahn's His wife had talked over all of his problems and policies with him. She will be able to put them into operation. She was in Washington with him during his entire career there, so she will be no stranger in the national legislature. So for a New Year wish, we wish Mrs. Kahn a useful busy term in Washington, for we know that activity will help her to forget her great bereavement.

L'ENVOY

WITH the passing of the old year a little poem by Rudyard Kipling might be a good thing for us to read and think about.

"When Earth's last picture is painted, and the tubes
are twisted and dried,
When the oldest colors have faded, and the youngest
critics have died,
We shall rest, and, faith, we shall need it—lie down
for an aeon or two.
Till the Master of All Good Workmen shall set us to
work anew!

And those that were good shall be happy: they shall
sit in a golden chair;
They shall splash at a ten-league canvas with
brushes of comet's hair;
They shall find real saints to draw from—Magdalene, Peter and Paul;
They shall work for an age at a sitting and never
be tired at all;

And only the Master shall praise us, and only the
Master shall blame;
And no one shall work for money, and no one shall
work for fame;
But each for the joy of the working, and each, in his
separate star,
Shall draw the Thing as he sees It for the God of
Things as They Are."

TWENTY-FIVE YEARS AGO

From the Times-Gazette of December 30, 1924.

T. P. Maloney has given J. H. Mansfeild a turkey and Asa Hull a ten-pound sausage for guessing the precise weight (297) pounds of the hog that hung in the shop Saturday.

Mr. and Mrs. George Mitchell spent a few days of the first part of the week visiting with relatives in Santa Clara.

A. J. Frohm will give a ball at the Capitol hotel tonight. Good music will be provided and admission will be free. A cordial invitation is extended to the public.

Christmas night Miss Maud Beeson gave a delightful party to a number of friends. It was a happy event.

On Christmas eve Miss Cecelia Hynding entertained a large number of her young friends.

Edward Headley is down from Utah to spend the holidays with his parents in Menlo Park.

John MacBain left for Portland, Oregon, on Tuesday and was married to Mrs. Rasin. Mr. MacBain kept the affair so quiet that no one knew of the approaching nuptials, and the news reached here after the wedding. Mr. MacBain is too well known to need an introduction to the community, having for years conducted a successful contracting business here. He is a whole-souled, liberal man with a large circle of friends. The bride is an eastern lady, and for some time past has resided with the family of Prof. Ira G. Hoitt. She is an intelligent and accomplished woman and will be an addition to the church and social circle of the village. After a brief honeymoon in the north Mr. and Mrs. MacBain will settle down in the former's beautiful home in the Mill's tract. The Times-Gazette, with a host of friends, wishes the couple all the happiness usually allotted married life.

AMERICAN LEGION AUXILARY ELECTS NEW OFFICERS

At the regular election of officers of the Auxilary of the American Legion held last Monday night in the civic auditorium, Mrs. Mary E. Winters was elected president. Other officers elected for the coming year were: Mrs. Louis Casaretto, vice-president; Mrs. Ellen Boulware, second vice-president; Miss Annie Bullivant, secretary; Mrs. Mary McAuliffe, treasurer; Mrs. Nellie Zook, chaplin; Mrs. Helen Stuart, marshall; Mrs. Mary Quinn, musician; and Mrs. Anna Robb, historian.

The Auxiliary has taken a keen interest in the plans for the community Christmas tree to be held tonight, and that topic occupied a great part of the meeting.

The newly elected officers will be installed on January 7 by Mrs. Lilly Samuels of Oakland.

THREE PRISONERS BEGIN SERVING PRISON SENTENCES

Sheriff T. C. McGovern, accompanied by Deputy Sheriff T. Meeks, took three prisoners to San Quentin this week who had been sentenced to indefinite terms in the local court. The three men were John O'Niel, George Allen and L. Morley, convicted of assaulting and robbing a man as he alighted from a buss at Belmont.

NIGHT DRIVING MORE DANGEROUS THAN DAY DRIVING

Data available indicate that from one-fourth to one-third of all automobile accidents occur at night, according to the public safety department of the California State Automobile Association.

Since there are fewer vehicles on the streets and highways at night, it can be assumed that more accidents occur after dark in proportion to the number of vehicles in operation, the Automobile Association points out. One investigation which appears to be a very thorough one conducted in the interests of good lighting, indicates that 17.6 per cent more accidents occur after dark in proportion to the number of vehicles on the street.

According to the Automobile Association, point to the necessity of accident prevention which will be affective during the hours of darkness as well as in the daytime.

Cleaning Without Odor by the **F. Thomas** *Process*

Our many years of experience has taught us that it is impossible to do perfect cleaning with cheap, inferior methods. That is why we found it necessary to invest nearly $500,000 in the equipment of a plant and the establishment of an expert organization to do the quality of work demanded by our customers.

With the "F. Thomas Process" we not only remove every particle of dust but we return your garments without that usual disagreeable smell of gasoline. Every drop of gasoline we use in cleaning is redistilled and very highly refined.

Raw gasoline—the kind that you buy for your automobile—is full of heavy oils and unfit for cleaning fabrics. It is little better than ordinary distillate and leaves a sickening "gasoline" smell in your clothes

New Fire Alarm System Of Zoning is Completed

The Redwood City fire department this week completed the installation of the new fire alarm system, which will give to this city the most complete system of fire alarm stations of any municipality on the peninsula. The town is divided for the convenience of the fire department into six zones or districts. The alarm boxes are now so arranged that at the first sound of the whistle, the driver of the fire truck can tell in what section of town the alarm will be, as the first figure in each number is that of the district in which the box is located.

While there are over a hundred stations listed in the new fire card, there are as yet only thirty-eight boxes. The remainder of the stations are taken care of by what are called "immaginery boxes." That is, a call sent in by phone from a district covered by an immaginery box would be rung with the number which the box would bear if it were installed. In apportioning the real boxes to different parts of the town it has been the aim of the department to place the immaginary box stations at points where telephones were most in use. The stations marked for immaginery boxes will be supplied with baxes as fast as the town will buy the new boxes until eventually it is the aim of the department to have every station supplied with a box.

The new system is calculated to handle the expanson of the town for years to come, and will be as efficient for the town in twenty years as it it is at present, no matter what growth this municipality may experience. The following are the stations listed in the new system:

LOCAL ICE FIRM EXTENDS TERRITORY

Paul X. Smith, manager of the Redwood Ice Delivery, announces that after January 1, 1925, his organization will handle all deliveries in San Carlos and vicinity. A Cash and Carry depot will be maintained at the San Carlos Meat Market, but no more deliveries will be made from that point.

The recent extension of deliveries into Woodside and vicinity, gives this office a wide range of territory, extending from Belmont to Palo Alto and west to Half Moon Bay and Pescadero. The company has alos established a Cash and Carry station at The Little Green Door in Menlo Park and will soon open one in Woodside, thereby increasing the efficiency of the good service that was prevalent during the past season, and at the same time give the people an opportunity to buy at a cheaper rate by going for the ice themselves.

Phone orders for delivery will be taken at any one of the substations.

The location of the Woodside station has not been definitely decided upon, but will be made known within a few days.

NEWS OF MENLO PARK

The approaching new year augers well for this section. Nineteen-twenty-five should bring a great era of prosperity to Menlo Park, in fact, a big boom is expected by real estate men and others, the like of which is beyond the highest expectations. The long-looked for Dumbarton bridge will be in course of construction, the Bayshore highway will come down the peninsula, these and other enterprises are sure to make things hum in this section. Real estate is already skyrocketting and will go higher as the spring approaches. So the people of Menlo Park have reasons to be thankful for what the new year means and will bring.

The Menlo Park Improvement Association enjoyed a tree in the parish hall of the Trinity Episcopal church Tuesday evening. The affair was for members only and was enjoyed by them. President Cain in a delightful and happy speech, welcomed the gathering, admonishing the members, particularly the older ones, to do no improper dances, such as the fox trot and the other barn dances. "Otherwise," said the genial president, "let joy be unconfined." All the members were given presents from the big tree that stood in the big hall. Later delightful refreshments were served.

Charles Weeks, the founder of the Runnymede chicken colony, was sued this week in the Superior court of Los Angeles county by I. C. Clodfelter for $160,000 for alienating the affections of his wife, Rosalie Clodfelter. Shortly after the Leonard home on Oak Grove avenue was purchased by Mrs. Inman of Portland, her sister, Mrs. Clodfelter and her husband came here from the northern city to reside, and it was here that Weeks first met Mrs. Clodfelter, who is an attractive and pretty woman of the blonde type. Clodfelter, in his complaint, says that he noticed the attention that was being paid by Weeks to his wife and at once sought a residence at Los Angeles. Shortly afterwards he claims, Weeks iniated another real estate promotion project at Owensmouth, in the San Fernando valley, and continued his affair with the fair Mrs. Clodfelter.

The following account of the affair appeared in the Palo Alto Times:

The husband charges that during the past several years, Weeks, who is reputed to be worth $300,000, has showered Mrs. Clodfelter with attentions, taking her on numerous trips and excursions until his home has been broken up. He asks 1130,000 actual damages, and $20,000 exemplary damages.

Weeks came to this part of the state in 1916, organized the Runnymede Little Farms colony, and started a poultry ranch. Later, the Clodfelters moved to Menlo Park, and the acquaintance between Mrs. Clodfelter and Weeks, began attaining considerable notoriety in the surrounding community and leading to an increasing volume of gossip.

Some time after the Weeks project in Southern California started and the attentions of the poultryman to Mrs. Clodfelter, then living in Los Angeles, resumed. Mrs. Weeks is said to have left her husband and gone to live with her parents, Mr. and Mrs. J. H. Johnson, former residents of Palo Alto, but then living in Fullerton. Later, however, she returned to Weeks and the two came north this week to pass Christmas at the ranch, which is being run by their 20-year-old son, Tom.

Clarence Henshel, young son of Mrs. Slinger, will launch in the real estate and insurance business on the first of the year. An elaborate office is being fitted up in the Slinger building for him, which will have the last word in equipment. Young Henshel was recently appointed a notary republic for the county. He is a skillful businessman, experienced and thorough and should do well in his new enterprise.

The attractive home of Mr. and Mrs. Leon Douglaess was the scene of a merry Christmas tree Thursday morning. The host and hostess had invited all the children of the grammar school and St. Joseph's parochial school. The youngsters were told that Santa Claus would arrive all the way from the icy fields of the north in an airplane at 10 o'clock laden with good things for all. At that hour the little tots gathered at the Douglass home and scanned the sky for the approach of the birdman. Suddenly the snow covered plane shot out of the clouds and slowly descended to the happy gathering. Santa Claus could be seen in his white robes of fur. Nearing the home a barrage of footballs was sent forth to the delight of the big boys and later another bargage of smaller toys was let loose for the smaller boys. After circling the home several times Santa Claus was landed on the building and shot down the chimney to the lower floor, where by this time the youngsters had assembled around the big tree in the living room. Santa Claus made a neat and impressive speech, saying that he had brought presents for everyone and at once began the distribution. Every child received a gift. Mr. and Douglass assisted Santa Claus in dismantling the tree ladened with choice presents. The little guests went home burdened with gifts and with good wishes for Mr. and Mrs Douglass.

PIRATES' GANG ON BOARD SHIP WAS REALISTIC

Lady Pirates were the Best "Killers," It Was Admitted

Aha, pirates!—and pretty ones, at that.

The men pirates, pooh, one needn't be half so afraid of mere men pirates as of the lady pirates, with their chic rags and their laughing bravado. The fair pirates are the worst killers—if one is considering the sort of pirates who infested the fashionable New Port Bay of California, where the Newport Yachting club fills a small harbor with all sorts of craft and the strangest craft of all, for a period of two weeks, was an old galleon with skull and crossbones and queer colored flags. It was being used in filming Reginald Denny's Universal-Jewel, starring picture, "Sporting Youth," which will be shown at the Sequoia theatre next Wednesday and Thursday, December 31, and January 1, 1r25.

The pirate ship in Newport Bay represented one of the most interesting location trips on which the players had ever gone. In the first place, they were only sixty miles from home, but they were out in the bay all day long without tlephone or radio communication and with nothing to do except live the life of pirates for the camera. Picturesque and quaint, the ship and its famous crew formed a vivid color spot on the horizon.

The pirate sequence in "Sporting Youth," however, is not an episode of real pirate adventure. It is a costume party of millionaires, at which the chauffeur-hero, played by Denny, goes thru some of his most thrilling experiences in the game of love.

POLA NEGRI SHOWING IN BRILLIANT ROLE

The empress of emotions has come into her own!

Today Pola Negri's American Paramount pictures are solid gold at any box office is the land.

And now comes the greatest Negri triumph of them all. Negri again directed by Ernest Lubitsch, the very director who first discovered her genius and first brought it to full flame.

Here is Pola displaying all the fire and seductiveness that made her famous; a Negri lavishly gowned and splendidly supported in a fine story of regal romance and intrigue.

"Forbidden Paradise," appearing at the Sequoia Theatre on next Monday and Tuesday, is an adaptation by Agnes Christine Johnston and Hans Kraly of the play, "The Czarina," by Lajos Biro and Menyhert Lengyel. It has for its background a small Balkan kingdom during the reign of a beautiful brilliant, farsighted and able Czarina—sch is Pola's role. She rules with an iron hand, tempered with justice and love for her people—and finds relaxation from the heavy cares of state in love making.

Oscar Olson, who recently underwent an operation in a San Francisco hospital, wa sable to return to his home here Monday. He expects to be back at his post in the First National Bank soon.
